LOUIS XIII

Every single drop of LOUIS XIII is an essential expression of the cognac's complexity, and the tasting ritual is the key to access the unique experience of LOUIS XIII. It takes time to enjoy LOUIS XIII and life's special moments deserve a space, where the host and their guests can fully immerse themselves in the experience, a wakening the senses while savouring and appreciating its complex characteristics. Simultaneously, the taster finds themself projected into LOUIS XIII's cycle of time. The precious liquid has been years in the making, its sensorial qualities developed over decades: the moment therefore conjurs a palpable connection to the past.
